In the Matter of:

APPLICATION OF KENTUCKY POWER )  
COMPANY FOR APPROVAL OF CAPACITY )  
AND ENERGY EMERGENCY CONTROL )  
PROGRAM )

CASE NO. 7666

O R D E R

WHEREAS the applicant has timely filed with the Commission a motion for the Commission to amend its order or in the alternative to grant a rehearing in this matter, and

WHEREAS it appears to the Commission that it would be beneficial to allow applicant further arguments with respect to the calculation of the remaining days of coal-fired generation as set forth beginning on page 6 of applicant's motion to the Commission dated October 3, 1980, and

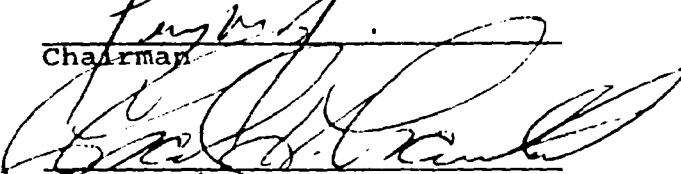

WHEREAS the Commission deems it appropriate to hear additional arguments on the matter referred to above, it is therefore proper for applicant to be allowed the opportunity to present arguments on all matters set forth in its request for amendment or in the alternative rehearing,

IT IS THEREFORE ORDERED that a rehearing of this matter be and is hereby set for November 24, 1980, at the hour of 10:00 a.m.

Done at Frankfort, Kentucky, this 24th day of October, 1980.
